As we wander down the trail of this past year we are reminded. . .

To every thing there is a season, and a time to every purpose under heaven:

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together;

a time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose a time to keep, and a time to cast away;

A time to rend, and a time to sew; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time of war, and a time of peace.

# Students Are Enjoying 'Winters' Playhouse'

he newly-renovated Student Activities Center has been dubbed by students as "Winters' Playhouse."

The reasoning behind this nickname is the renovation of the Old Gym was the first project that Winters started working on when he became president in the fall of 1988. It is the only original structure remaining on campus.

The Student Activities Center was opened for use after the dedication Sept. 18, 1991 during convocation. The completion of the building was possible due to a \$500,000 donation given by a Kentucky Baptist couple.

On the main floor of the center is the gymnasium. There are six basketball goals around the perimeter of the court for basketball and lines on the floor for volleyball. A variety of other sports can be played on the floor.

The center is also used for various student activities such as convocation, pep rallies and dances. The first dance in the center was the Homecoming Dance Oct. 26, 1991.

The basement includes a game room with new pool tables, ping-pong tables and video games. There is also a glass-enclosed room with cushioned chairs and a large screen television.

#### Freshman Week

August 26-31 was "Freshman Week," a week for freshmen to be introduced to the fun and fellowship of college life.

Freshman Week is sponsored yearly by the senior class and is intended to get the new students acquainted with the old.

The activities included an ice cream social Monday night in the Dining Hall. A Junior Olympics was Tuesday night. A student auction took place Wednesday in the Alumni Building. On Thursday there was an all-male freshman and senior class review with Rob Williams and Gary Weiter taking first place. Finally, Friday was dress-up day.

The week was, as always, a big success. It is a wonderful way for the students to get acquainted with one another and the faculty.

#### FOUNDERS' DAY

Students and faculty gather to make the Founders' Day a celebrated event.

Photo by Jamie Humphrey

ampbellsville College's second annual Founders' Day was Sept. 18. The day was designed to witness the results of the transformation of the only original structure remaining on campus into a modernized, multipurpose Student Activitites Center.

It was a day to "look back at the heritage of Campbellsville College (which was established in 1906) and identify and give credit to those in the past who have made the College what it is today," said Dr. Ken Winters. The ceremony was a formal one with the faculty and administration dressed in full academic regalia.

An honorary doctor of divinity degree was bestowed on the Rev. James Frank McKinley, a 1952 graduate of Campbellsville Junior College. J.B. Crawley, member of the College Board of Trustees, presented some historical notes about the College. "We have a great history as a school," said Crawley, "And remember, as you go about the humdrum task of teaching or studying, you too are making history."

The Founders' Day Address was given by Dr. William W. Marshall, executive secretary-treasurer of the Kentucky Baptist Convention. Marshall said that the College has survived for three reasons: its administration and trustee body have been committed to the Christian mission of the institution; its faculty has been "nurturing" and has been able to relate to students somewhat as ministers as well as teachers, and the College has been able to recruit a significant number of students who are already "believers."

A reception in the administration building followed the ceremony.

#### Campbellsville Style

Photo by Sandy Cribbs Eric Allen, a 1982 graduate of the College, sings Sept. 11 with COMMON CALL, a four-man group that performs both traditional and contemporary gospel music.

Once again Campbellsville College's convocation series provided students with a variety of educational programs and Christian entertainment.

Students were amused with the magic of Dr. Jerry Burgess, the contemporary and traditional Christian music of "COMMON CALL," and the "Silent Touch" of a music ministry for the deaf.

Also, "Safe 6," a University of Kentucky Theater troupe, presented a drug awareness program.

The College family was informed by speakers such as the Rev. Edmon Burgher Jr., former missionary to Russia; Dr. Michael Watts, chairman of the Campbellsville College Board of Trustees, and Dr. William Tuck, pastor of St. Matthews Baptist Church in Louisville.

Convocation not only provided students with entertainment; it also gave the students an opportunity to enter-

Student-based performances included the introduction of campus organizations, a concert by the Campbellsville College Jazz Ensemble, a performance by the handbell choir, a Thanksgiving creative worship service and the Christmas Celebration.

Regular convocation programs, which have traditionally been in the theater of the College's Alumni Building, were moved to the larger, more modern Student Activities Center for the 1991-92 agenda.

According to President Dr. Ken Winters, the College's tremendous increase in enrollment demanded that convocation be moved to the center and also demanded new, less stringent, guidelines for mandating convocation attendance.

# CHRISTMAS ON THE TRAIL

Lights, music and dance helped to make the Christmas season bright at Campbellsville College.

Several activities filled the long days as students awaited Christmas break. There was a Christmas dinner, a Snowflake Ball, and, of course, final exams.

The annual Christmas Celebration banquet Dec. 6 was a festival of food, Christmas entertainment and a visit from Santa.

At the banquet, Kathleen Bush, a senior, sang "An Evening in December" and freshman Tim Pass sang "I Have Held My King." Senior Jennifer Tinnell led

the children's choir and the Christmas carol sing-along with the audience.

Dr. Mark Bradley, Dr. Kenneth Martin, Trent Argo and Dr. John Hurtgen comprised the "faculty quartet." Russ Mobley told "The Christmas Story," and Dr. Jerry Kibbons presented "And This Is Christmas To Me."

After the banquet, there was the annual lighting of the Maple Trail and the "Snowflake Ball," a dance for students in the Student Activities Center gym.

At the dance Jeff Shirley, a senior, and Tara Celani, a sophomore, were crowned the Christmas King and Queen.

#### Mr. & Miss Campbellsville

"It feels good to know that my peers think I exemplify the spirit of the school," said graduating senior Dom Mattingly.

Mattingly and Sharon Thomas were named Mr. and Miss Campbellsville College during Honors and Awards Day April 29.

Mattingly said he felt "relieved, scared and excited" to be receiving his college degree. He earned a bachelor of science degree in double majors history and political science.

Thomas earned a bachelor of science degree in early elementary education with an emphasis in English and communications.

"I almost wish I was starting over at college," said Thomas, "because of all the changes." Thomas said she has witnessed many changes at Campbell-sville during her four-year career — increasing enrollment, physical renovations, and a growth in the Christian atmosphere.

Both Thomas and Mattingly have been active in various campus activities.

Thomas, who is from Shepherdsville, Ky., was a participant in the 1989 Valentine Pageant and was named Homecoming Queen in 1990. She has been a member of Baptist Student Union and National Education Association - Student Program, has served as resident assistant for Stapp Hall

for two years and was the president of the senior class.

Thomas was named to the academic honors' list and was listed in "Who's Who Among Students in American Universities and Colleges" in 1991. She also received the Marshall Lyon Award at Honors and Awards Day.

Thomas, a magna cum laude graduate, received the Outstanding Senior Award at senior luncheon. The honor was based on leadership, academic excellence, school spirit and involvement while attending College.

"Because Campbellsville College is small," Thomas said, "it is easy to be involved."

Thomas said that the small size of Campbell-sville College is partially responsible for her decision to attend the College. She said she appreciates the classes being small and the professors always being available.

Mattingly, who lives in Campbellsville, has been involved in the drama department at the College. He served as president of the Harlequins his senior year.

Mattingly has had roles in "The Importance of Being Earnest" and "My Fair Lady" and was student director for "Steel Magnolias" in 1991 and "Bye Bye Birdie" in 1992.

Aside from drama, Mattingly has been an active member of Midwest Model United Nations. He was named to "Who's Who Among Students in American Universities and Colleges" in 1990 and "Who's Who Among Minority Students."

Mattingly said his college years have been "some of the best years of my life."

He plans to continue working at Fruit of the Loom in Campbellsville as he awaits news from graduate schools. Mattingly hopes to pursue his graduate studies at WKU or U of K. Thomas is seeking a teaching position in her hometown area. Later, she said, she will work towards her master's degree at U of L.

This award was presented by the SGA.

Now it's time to say goodbye to friends we've made through the years This is supposed to be a time of gladness but it is also a time of tears

The years have quickly gone to bring us to this day We have struggled long and hard with all our classes on the way

The time has slipped by us and we now have reached our goal So now we will walk the line because our names are on the roll

So, to those who we've shared the laughs and helped us through the tears It is now time to say goodbye to the friends we've made through the years.

So if you look and see a tear Please don't wonder why The tear is there to show the world That now it's time to say goodbye. ---John R. Shuman

The outlook for the 1991 edition of Fighting Tiger football was a positive one for Campbellsville College. Coming off an 8-2 record with a final ranking of 28th in the nation, the team showed that last year's record was no fluke as they finished the season with an impressive 9-2 record and while finishing the season with a 21st national ranking, the Tigers were ranked as high as number two in the nation during the season.

The Tigers returned all but two starters on an offensive unit that averaged 300 yards rushing per game and ranked fifth in the nation in that department. Quarterback was the big position to fill, and after an injury to junior David Cozart, converted tight end John Myers filled the spot and led the wishbone offense to around 275 yards rushing and 95 yards passing per game.

The defensive side of the ball had the

"Once again, I feel it was the senior leadership and the depth of our players that led to our success."

- Ron Finley

most places to fill at the beginning of the year with the loss of five starters. But with an experienced front that included seniors Jay Montgomery and Russ Beadles and a tough linebacker corps led by seniors Tad Barker and Mike Todd Cecil, there were few opponents to get by the Tigers' stingy defense.

'Once again, I feel it was the senior leadership and the depth of our players that led to our success."

The Tigers began the season as they did the year before winning their first

seven games.

The wins began with a victory over Olivet Nazarene College in Kankakee, Ill. It was a see-saw battle, but the Tigers pulled off a 30-25 victory. This game set the tone for the Tiger season as they continued their winning ways against other strong schools. The Tigers closed the season with only two losses; the first to Lambuth College with a score of 35-31. The second came in the final game against Georgetown with a score of 63-14.

The Tigers placed ten players on the All-Conference Teams with just Jay Montgomery graduating which leaves a lot of talent for the Tigers to build on for the upcoming year. It seems the Tigers have proven that they are here

# Men's Team Has Bright

# **Spots Despite Losing Record**

This year's edition of men's Tiger basketball had some big shoes to fill. Gone were three seniors who led the team in most statistics and took the Tigers to the District 32 Championship and on to the NAIA National Tournament for the first time in ten years.

Returning for the Tigers were seniors Jason Worth and Greg Floyd. Along with them were juniors Greg Hoagland, Chris Gray and Sammy Watene. There were also sophomores Roy Booker and Steve Manning and freshmen Tim Balis, Charley Broughton and Derieco Irvin.

Head coach Lou Cunningham was relying on his two returning starters, Floyd and Kelly, and sixth man extraordinaire Worth, to provide leadership and stability for the defense of their 1990-91 NAIA District 32 Title.

"You can't judge the success of this team in the win-loss column...we grew up a lot this year."

- Lou Cunningham

The starting five for the Tigers were Floyd, Kelly, Smith, Wright and Watene with Worth coming off the bench.

The Tigers started out sluggish, dropping their first five games coming into district play against perennial powerhouse Georgetown. The Campbell-sville Tigers were tied with Georgetown at the half with 50 points each.

This game ended in a crucial loss at home by a score of 106-94. The score was not at all indicative of the play of the Tigers. This loss would set the tone for the next seven games. The young Tiger squad would battle valiantly but would fall short every time.

There were bright spots in what seemed a dismal first half of the season. Senior Greg Floyd and sophomore Benji Kelly continued to put in consistent performances from the perimeter while junior center Sammy Watenebecame a dominating force inside the paint. With every game the freshmen were gaining valuable experience and Cunningham continued to look for that winning combination.

The Tigers finished with a 7-18 record overall, 4-10 in the District 32, and 3-9 in the KIAC.

# Lady Tigers Prove That Three Times Is A Charm

The Lady Tigers proved that three times is a charm as the team won its third consecutive NAIA District 32 Title and a third trip to Jackson, Tenn., by defeating Lindsey Wilson 100-91 in the District 32 Tournament final Feb. 24.

This was like a storybook tale for the Lady Tigers this year. Before the season started, there was much doubt about this year's squad for several reasons.

First was the loss of the KIAC Player of the Year, Becky Smith, who was the leading scorer on last year's national team.

The team was also young; with three seniors on the team, Sandra Gray was the only senior starting, although Lisa Newton and Tammy Ford contributed well off the bench.

"I was really pleased the way the girls stepped up to this year's challenge."

- Donna Wise

The third reason, and probably the best, was the schedule the Lady Tigers faced. With opponents such as Belmont College, Carson-Newman College and Bellarmine, and a consecutive ten-game road stretch in the next meet of the schedule, the team was faced with a very tough year.

Coach Donna Wise and the Lady Tigers would finish 24-5 for the year.

Coach Wise attained a 322-126 record for her 17th year at the College, which placed her in the top 10 in the NAIA in most victories. She was named NAIA Coach of the Year for the fourth time in her career at Campbellsville.

The ladies "behind the Coach" proved a popular rap tune by M. C. Hammer to be true because they were "Too Legit To Quit."

Led by NAIA District 32 and KIAC Player of the Year, and NAIA Second Team All-American, sophomore Colleen Nichols, the Lady Tigers ended the season with a #10 ranking in NAIA Division I. They also had the #7 scoring average in the Nation with 86 points a contest. The Lady Tigers were #1 in the nation in free throw percentage with 79% and were also #10 in field goal percentage with 49%.

# After Several Years of Losing,

## Tiger Baseball Returns in Full Force

The year is 1992 and it's springtime and there is only one thing in the air . . . Tiger Baseball!

This year's team was to continue the rebuilding started last year as second year Head Coach Beauford Sanders led his young, but talented, team into battle in the hopes of making a trip to District 32 playoffs. Sanders would not be disappointed.

The Tigers opened the spring season with a complete pounding of perennial baseball powerhouse Bellarmine by a score of 22-10. Things looked promising for the Tigers. But as fate would have it, the Tigers were unable to get another victory in the next five tries. The Tigers did get on the right track, and by mid-season they were 10-10 overall and 5-1 in the district on top of their division.

"We had great team unity which kept the team together and helped our team play."

- Beauford Sanders

The Tigers indeed made it to the District 32 playoffs only to lose to Union, to finish second in the District 32. The Tigers were 16-17 overall, 10-6 in the district.

The Tigers were led by four seniors who had seen their share of bad times in the past. These four individuals were co-captain first baseman Gary Gettings, 1990 All-KIAC selection and a consensus selection in 1992; co-captain Jack

Neely; centerfielder and 1990 All-District selection Matt Allen, and reserve outfielder/designated hitter Michael Sanders.

A milestone was reached when the Tigers defeated Kentucky State on April 29, in both games of a double-header. Not only did it improve the Tigers overall record to 18-17, but Coach Sanders achieved his 300th victory as a coach.

The pitching chores for the season were handled by Gettings, Larry Lipker, Todd Cook and Doug Bunn. The relief pitchers were Luther Bramblett, David Hicks, Mike Crafton, Danny Hunt and Chris Evans. As a single unit, the guys had an ERA of 4.20 with a 18-17 record through April.

## **Opponents Become Terrified As**

# **Tiger Sharks Roam Water**

The 1991-92 edition of the Tiger Sharks proved the old cliche' that "It's quality not quantity that is important." They were definitely made up of quality people from Coach Steve Bedingfield to all the swimmers, both male and female. This was only the second year for Campbellsville College to field a swim team, and the team proved that although small in numbers they could "battle the big boys/girls" in the district and even the nation.

The season started in October and lasted until mid-March. According to Bedingfield, "The season record is not an indication of the talent, hard work, and dedication of both the women's and men's swim team."

Shanae Netherland and Amy King were the only women on the team with the exception of red-shirt freshman Jane Kephart. "The season record is not an indication of talent, hard work and determination...of the team."

- Steve Bedingfield

These women were facing teams with up to 15 participants competing against them. The second semester saw the women's team reduced to Shanae as the lone swimmer, and she continued to swim with incredible endurance and dedication. "I had Shanae swim every event at one meet and the other team could not believe it," according to Bedingfield.

Shanae continued to close in on National Qualifying Time which would enable her to compete in the National Association of Intercollegiate Athletics National Swimming and Diving Championships in Canton, Ohio.

While Shanae continued as "the Lone Ranger" for the women's swim team, the "Fab Five" men were busy making the rest of the District 32 take notice. In only their second season, they were able to win three dual meets and qualify for the nationals in Canton.

Not much later, Shanae was also qualifying for the Nationals. The Tiger Sharks were gearing up for a storybook finish.

# An Impressive Season For The Men's Tennis Team Sends Two To

#### **Kansas City**

The 1992 Tennis Team started the season with high expectations as the Tigers returned two top performers in the conference. Kevin Merritt and W.D. McCubbin led the Tigers in the previous year, and this year would be no exception.

As a team, the Tigers were 10-2 overall, 8-0 in the KIAC, and 9-1 in the district, just one match behind Transylvania, going into the District 32 Tournament.

The Tigers, in addition to Merritt and McCubbin, were composed of Addisu Jiffar, Phil McCubbin, Jonathan Gough, Jason Montgomery and Ben Page.

Individually for the Tigers, Merritt played first singles compiling a record on 6-4 overall, 5-3 in the district, and 4-2 in the KIAC playing the best player at every college. Merritt went into the

KIAC as the number one seed for the conference tournament for the first singles. Merritt was also part of the number one doubles team that remains undefeated in the KIAC going into District 32 tournament play. Merritt and McCubbin won the KIAC Tournament and were 12-1 overall and 9-1 in the District 32. They were both named to All-KIAC and All-District 32 teams as a doubles team and individ-

ually as well.

McCubbin, like Merritt, was named to All-KIAC and All-District 32 teams while posting a 12-2 record overall, 9-2 in the District 32, and 8-1 in the KIAC at the number two singles spot. McCubbin was also the number one seed going into the KIAC Tournament.

At the number three spot was Addisu Jiffar, who like the first two players, was the number one seed at the KIAC Tournament. Jiffar had a 7-2 record overall, in the District 32 and in the KIAC.

The younger players, Gough, Phil McCubbin, Montgomery and Page, had fine seasons as well and will be the nucleus of what will be a fine team next year.

The Tigers finished second in the KIAC tournament.

#### Women's Tennis Team Has Yet Another Successful Season

The Lady Tiger Tennis Team finished a successful season with nine wins and six defeats.

The team was led this year by Jennifer Colvin, a freshman, in the #1 seed with a 11-4 record, and Sosomphanh (Pon) Thongmanivong, a junior, in the #2 seed with a 10-5 record.

The Lady Tigers finished third in the Kentucky Intercollegiate Athletic Conference (KIAC) Tournament. The team finished fourth in the Kentucky Women's Intercollegiate Conference (KWIC) Tournament. Thongmanivong won the consolation final. Christy

"The team made a lot of improvement over the year, and we are looking forward to a successful season next fall..."

- Dr. David Cundiff

Schammert and Teressa Kendall also won the consolation final in the #3 doubles. Colvin made it to the finals.

The Lady Tigers finished third in the District 32 Tournament. Jennifer Colvin took the Georgetown #1 player to three sets before she lost the match. Tyren Singleton, a sophomore in the #4 seed, with a record of 10-5 in singles, also took the Georgetown #4 player to three sets before she lost the match.

The final set was 7-5.

"The team made a lot of improvement over the year, and we are looking forward to a successful season next fall with our #1, #2 and #4 seeded players returning," said Dr. David Cundiff, professor of health and physical education, who coaches the team.

According to Cundiff, the team has never played a spring schedule in the past, but will play three or four matches in the spring of 1992. These matches will help motivate the players and improve their skills for the next fall, he said.

#### **New Members Of Golf Team**

### **Start To Build Strong Future**

The Tiger Golf Team was small in numbers but big in heart. There were only four young men who participated in golf for the Tigers this season. They were under the supervision and instruction of Coach Donna Wise.

The team faced formidable opponents that sometimes seemed insurmountable on the course but the team never gave up. As the season went on, the team continually improved their scores and match play.

The members of the 1992 golf team were senior Jason Worth, freshman Tim Balis, freshman Charley Broughton and freshman Brian Webb.

The Tigers held their home invitational at the Campbellsville Country Club and placed a strong fifth in the team scores. Worth led the attack as he fired an 81 on the links. "We didn't have a good season in the win-loss column, but these four guys gave it their all."

- Donna Wise

As the Tigers went into the District 32 Tournament, their confidence was high and we all anxiously awaited the outcome. The "fearless foursome" represented the College proudly throughout the season on and off the course.

The first ever Campbellsville College Soccer program began with practice Aug. 20, coached by Steve Bedingfield. Fifteen men (11 freshmen and 4 sophomores) participated on the team. Originally the team was to play a five-game limited junior varsity schedule, but it was decided that the team would play a nine-game varsity schedule.

Due to the lack of veteran, skilled players, and the highly competitive District 32 opponents that the Tigers faced, the result was a 0-9 record. However, this first ever soccer team's successes cannot be adequately represented by the team's win-loss record.

The moral, spiritual, academic, physical and competitive lessons learned were invaluable to this group of young men.

"We are an extremely young team this year and should be more competitive in the years to come."

- Steve Bedingfield

Each one of them gained valuable playing time, knowledge of the game and themselves as competitiors within a Christian atmosphere at the collegiate level. These "life" experiences are something they will carry with them for the rest of their lives.

"We are an extremely young team this year and should be more competitive in the years to come," said Coach Steve Bedingfield.

The team's top three goals that were accomplished were to first, field a collegiate soccer team. The next was be as competitive as they could be, considering the competition the team faced. Finally, they were to stay unified as a team.

Next year the soccer team will have more players, more experience, depth and skill. Soccer can be an exciting addition to the Campbellsville College athletic program as the team progresses to higher levels in the years to come.

**Cross Country Team Begins Inaugural Season At College** 

The new cross country team is in the recruiting stages with 10 prospects for the fall 1992 season.

Cross country is a sport which involves running off road foot races. A typical meet consists of men and women competing separately against other college teams.

The men run 10 kilometers which is approximately 6.2 miles. The women run 5 kilometers which is about 3.1

Campbellsville College introduced cross country this academic year with the Tigers, fielding a team of six runners for the National Association of Intercollegiate Athletics District 32 Meet, finishing fourth in the meet.

Patrick Foster, student assistant and runner, said, "We could have finished better with more team members.'

"I learned as the athletes learned. I

- Dr. William Bennett

hadn't realized the time that a coach has to put into the sport that he or she coaches.'

The team is coached by Dr. William Bennett, chairman of the division of social science and professor of political

Bennett is new to coaching, and "gained a whole new outlook on coaching," he said. Bennett said that he "learned as the athletes learned."

Bennett has a special interest in the cross country team because, not only does he coach the runners, but is also the father to one. His son, Bryan is a freshman on the team.

"During meets, I'm a coach," Bennett said, "but afterwards I become the father again."

The team has set goals for the upcoming season. The first priority of the Tigers is to field a full men's and women's squad. The second goal is to follow a strenuous summer training schedule. This will be handled by keeping a journal of workouts, that will take place every other day during the summer.

Five of the runners will be returning. "Their attitude and enthusiasm for their sport will carry them while they build themselves physically," Bennett said.

The Tiger cheerleading squad leads the field in support of their team.

The 1991-92 Campbellsville College cheerleading squad was "the best squad in a long time," said Donna Pierce, advisor for the squad.

Although this year was a year of rebuilding, Pierce said that it was a very successful year. "The kids were very talented and worked very hard," she said. She said the group was able to master more tumbling skills and more difficult mounts than squads in the past. "And they keep improving," she said.

The Tiger cheerleaders cheered at all football games, home and away, and cheered at all home games for both the men's and women's basketball teams. The team also attended several away basketball games.

Bobbi-Lynn Wyland and Lee Talley help Bobby Himes get dressed for the graduation ceremony.

When Joan McKinney called me last summer to ask if I would be the yearbook editor and learn a new computer program, I thought she was crazy. I didn't feel I could handle that job along with academics and other work. I reluctantly accepted the position and am glad I did. It wasn't easy, but it was worth the loss of spring break, all the late hours and gray hairs. I couldn't, however, have done it by myself. I had one of the best staffs ever. They gave me what I needed when I needed it without fail. Rob and Sandy were always there to ID pictures and write cutlines. Missy wrote copy until she was blue, and Jim lived yearbook sports for at least six months. Mike backed Jim up with his knowledge and Jamie worked on weekends developing pictures. Finally, Joan and Connie were the best advisors and proofers anyone could ask for. If it weren't for all the help of the Maple Trail staff, we wouldn't have a yearbook.

I would like to thank all those people who kept telling me I could get the deadlines done. You know who you are. I would like to thank Jeff Frodge, Paul Lambert and Jennifer Croft for helping me when the computer was being stubborn. I would also like to thank my family for putting up with me during those rough days.

I feel this yearbook is one of the best we have ever done, but I'm a little prejudiced. Most people wouldn't believe the work that goes into this publication — it takes a lot of time and creativity. I hope you get as much out of it as we have put into it. If I had to do it all over again, the only thing I would change would be the computer. I'd make it more people literate.

- Bobbi-Lynn Wyland

#### **COLOPHON**

Nine hundred copies of the 1992 Maple Trail, Volume 64, were printed by Taylor Publishing Company at the plant in Dallas, Texas.

This 9 x 12-inch book has 180 pages printed on 80 lb. enamel paper. Smyth binding is used to attach the cover to the contents. The cover design, consisting of a leaf drawn by Steven Medley and other work from Taylor's design book, was printed on maroon lexitone material using the silkscreen process. The endsheets are blue parchment with maroon foil yeardate.

Body copy is set in 10 or 12 pt. Seville. Captions and photography credits are set in 8 pt. type. Headlines ranged from 24 to 60 pt.

Delmar Studios received the bid to take individual portraits; other photos came from the Public Relations Office or were submitted.

The classifications of students was determined by their classification with the Student Records Office fall 1991 directory.

Thanks to all who made this book possible. We appreciate all the support and the loans of pictures. We would like to thank the "Central Kentucky News- Journal" who loaned us pictures. Dr. Robert Doty was always available to take pictures and lend moral support when needed.

Thanks to Curtis Wright and the staff in Dallas for answering our many questions concerning the use of the computer in layout and copyfit.

Special thanks to Hugh Black, our Taylor representative, who always had good advice anytime that we called, day or night.
